REPORT ON COFFEE HOUSE

The Coffee House session commenced at 1.40 p.m. on January 28, 2025, in the class room with a prayer song, creating a serene atmosphere for the event. The program was honoured by the presence of Rev. Fr. Thiviya Alexander, Head, Department of English, Don Bosco College of Arts and Science, Keela Eral, as the Guest of Honour.

The session focused on an innovative approach to English language enhancement through dumb charades, expertly conducted by Prof. P. Rama and Prof. K. Mahendran. The interactive workshop demonstrated how non-verbal communication and theatrical elements can be effectively utilized to improve students' English language skills.

During the session, leaders were motivated and selected to guide various teams, with faculty members assigned as in-charge of each group. This structured approach ensured proper guidance and supervision throughout the learning process.

The best practice provided students with a unique opportunity to develop their English language skills through an engaging and interactive medium. The combination of entertainment and education through dumb charades proved to be an effective teaching methodology.

The session concluded with the singing of the National Anthem, marking the end of a productive and engaging Coffee House meeting.
