Organized by the Department of Computer Applications

Date: February 28, 2025

Introduction

The Department of Computer Applications proudly organized the Intra-Departmental Technical Symposium on February 28, 2025, as part of the National Science Day Celebration. This event aimed to inspire students to enhance their technical expertise, creativity, and analytical skills while fostering a spirit of innovation and teamwork.

Events Conducted

The symposium featured six major technical competitions for students of the department:

1. **Paper Presentation** – Showcasing innovative ideas and research in technology.

2. **Web Designing** – Developing functional and creative web pages using HTML, CSS, and JavaScript.

3. **Debugging** – Identifying and rectifying programming errors in C++.

4. **Model Display** – Presenting working and non-working models related to computer technology.

5. **Short Film** – Creating technology-themed short films with a **maximum duration of 5 minutes**.

6. **Quiz** – Testing students' knowledge in **computer science, programming, and emerging technologies**.

Overall Winning Teams

The **top-performing teams** were determined based on cumulative scores across multiple events:

1. **Code Warriors – Overall Champions**

2. **Thread Master – Runner-Up**

3. **Tech Titans & Firewall Force – Third Place**

Special Contribution

As a **memorable contribution to the National Science Day Celebration**, the **staff and alumni of the Department of Computer Applications generously donated a printer to the department**. This gesture reflects their **commitment to the growth and development** of the department and will serve as a lasting symbol of **collaboration and technological advancement**.

Prize Distribution Ceremony

The **prize distribution ceremony** was graced by esteemed dignitaries, who recognized and appreciated the efforts of participants and winners:

- **Dr. M. Prabhu** – Principal In-Charge

- **Mrs. Theiva Rathina** – Vice Principal

- **Dr. S. Alexander Suresh** – DBCA Coordinator

- **Mrs. V. Parvatha** – Convenor

- **Dr. M. Sivasankari** – Head of the Department

- **Ms. M. Keerthana** – Organizing Committee Member

- **Mr. M. Puthiyavan** - Organizing Committee Member

The winners of each event were awarded certificates and prizes in recognition of their outstanding performance.

Conclusion

The Technical Symposium 2025 was a grand success, providing students with a platform to showcase their technical knowledge, creativity, and problem-solving skills. The event not only celebrated National Science Day but also reinforced the importance of technology, teamwork, and academic excellence.

The Department of Computer Applications extends its heartfelt gratitude to the management, faculty, alumni, student participants, and organizing committee for their unwavering support in making this event a memorable achievement.
