REPORT ON RURAL CAMP (2019 – 2020)

DEPARTMENT OF MATHEMATICS AND COMPUTER APPLICATIONS

Objectives:

- The main aim of the rural camp is “Learning to Serve”.
- The students should adapt themselves to the environment and adjustable to any situation.
- The students should render their service to the needy people and protect the nature.

Camp to Kamamayakanpatti and Kuruvinattham

Day 1:

The Department of Computer application and Department of Mathematics jointly organized three day rural camp to Kamayakanpatti and Kuruvinattham from 7th - 9th January,2020. The camp started with 56 students and 4 staff members at 10:00 a.m. from the college campus. We reached the camp by 10:30 a.m.

After refreshing in the Marriage Hall at Kuruvinattham, the students were split into two different groups and then Boys were taken to Ettunayakanpatti for cleaning work and awareness program . Girls started their cleaning process at Jebamalai Garden. The scheduled time was 11:00 a.m to 01.00 p.m.

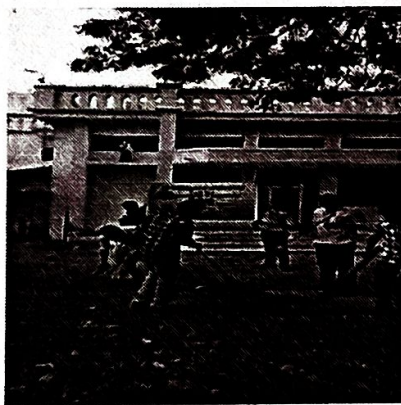

After completing the cleaning work, students took their lunch from 1:00 p.m. to 2:00 p.m.

After lunch, students prepared for the street play and cultural events from 1:30 p.m.

Street play was portrayed by Girls at Kamanayakanpatti from 3:30p.m to 4:00p.m. In the mean time, Boys continued their cleaning work in Kuruvinatham.

At 4:00 p.m Tea was provided to the students. Meanwhile some students went to the homes to invite children for the program.

By 4:30 p.m. the students appeared for the Street Play at Kuruvinatham.

By 06:00 p.m. Children's Program was given by the students Games were conducted for the school students of the village and prizes were given. The programme ended by 08:00 p.m.

At 08:00p.m. Supper was provided to the students. At 09:00 p.m. Students cleaned the vessels , marriage hall and its surroundings. At 09:30 p.m Evaluation of the day was discussed with the students by the staffs and students were asked to write the Report. In the mean time, the programme schedule for the second day was discussed.

The girl students stayed in the marriage hall at night and Boys went to the school at kamanayakanpatti for Hospitality.

Day 2:

On 8th January 2020 the students woke up by 04:00 a.m. Meditation were done from 06.00- 06.15 a.m.

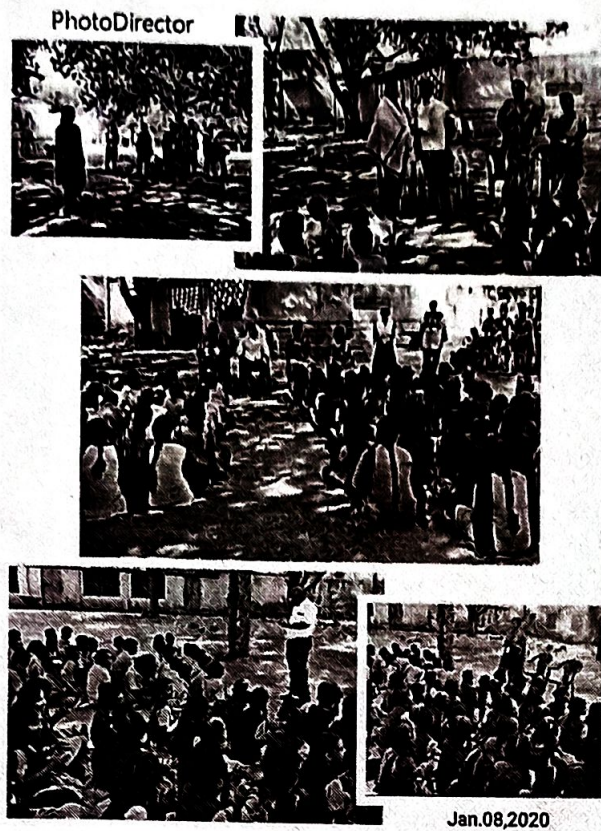

At 08:00 a.m. the students took the break fast. After the breakfast the students started their cleaning work (vessels & room).

After refreshment, the students rally was started by 09:00 a.m. from the marriage hall to Kamanayakkanpatti School. In the rally students displayed some awareness quotes.

The students reached the School by 09:30 a.m. They planted some saplings in the school garden. After that, School Program was organized by the students.

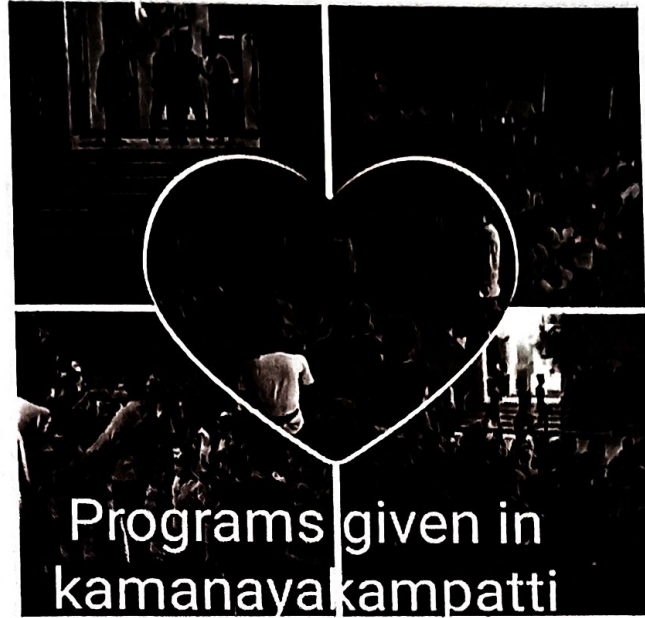

At 12:30 p.m. the students took the lunch and cleaned the vessels and the marriage hall. School Program was continued after lunch break from 02:00 p.m to 04:00 p.m.

Tea was provided for the students by 04:00 p.m. After that, the students started their cultural program preparation by 04:30 p.m. In the mean time, some students went to the village to invite people for the cultural program.

At 06:00 p.m cultural program was begun at Kuruvinatham.

By 08:30 p.m. Supper was provided to the students. After that, the students started their cleaning work in the marriage hall by 09:30 p.m.

By 10:00 p.m. third day scheduled program was discussed and the students were asked to write their self reports.

Day 3:

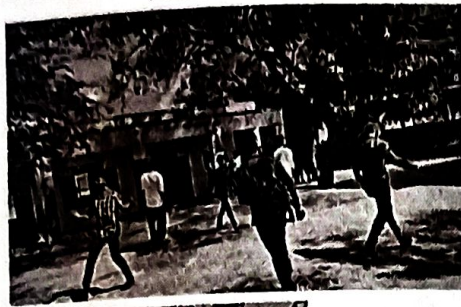

On 9th January 2020 the students woke up by 04:00 a.m. Meditation were done from 06.00-06.15 a.m.

Tea was provided to the students by 06:15 a.m. One group of Students begun their breakfast preparation work by 06:30 a.m.

Breakfast was provided to the students by 08:00 a.m. After that, the students started cleaning the vessels and marriage hall.

Girls went to Kamanayakanpatti school for the program by 09:00 a.m. During that time, Boys went to Sevelpatti for school program.

PhotoDirector

EXTENSION ACTIVITY FOR SECOND YEARS

The objective of cleaning is not just to clean, but to feel happiness living within that environment. Our college not only teaches studies to the students but also makes them to keep the surroundings clean. As a part of extension activity the second year students of Department of Mathematics and Department of Computer application had already went to Kamanayakanpatti and kuruvinatham on 24th and 25th November 2018. The third day is meant for cleaning the campus. So it was held on 12th December 2018. All the students cleaned our college ground. They plucked the unwanted trees, grasses from the ground, picked the waste things. The extension activity started at 9.30 AM and it went up to 2.30 PM.

REPORT ON RURAL CAMP 2018.

DEPARTMENT OF MATHEMATICS

Objectives:

- The main aim of the rural camp is "Learning to Serve".
- The students should adapt themselves to the environment and adjustable to any situation.
- The students should help the needy people, protect the nature.

Camp to Kamamayakanpatti and Kuruvinattham

Day 1:

The Department of Mathematics and Department of Computer application organized two day rural camp to Kamamayakanpatti and Kuruvinattham on 24th and 25th November 2018. The camp started with 77 students and 5 staff members at 10.00 AM from the college campus. We reached the camp by 11.00 AM.

After refreshing in the Marriage Hall at Kuruvinattham, the students were split into four different groups and then they were taken to the church. The students cleaned the campus around the places near the church from 11.00 AM to 1.00 PM.

After the cleaning work the students took the lunch from 1.00 PM to 2 PM at the marriage hall.

After the lunch, the students were taken to the school at kamanayakanpatti. Fr. gave the speech about kamanayakanpatti from 2.00-2.30 PM

After that, prayer was held at the church form 2.30-3.00 PM

By 3.00 PM, the students went to the marriage hall. The girl students cleaned the vessels for cooking and also cleaned the hall. The boy students cleaned the places outside the marriage hall.

At 4.00 PM the students were provided the tea. From 4.30- 6.00 PM the students again cleaned the places nearby the church at kuruvinattham.

From 6.00-7.30 PM the students prepared for the programme to be given at kuruvinattam. Meanwhile some students went to the houses in the village and invited the people for the programme.

At 7.45PM various programmes like song, skit, games, dance were given by our students for the village people at the church. Games were conducted for the school students of the village and prizes were given. The programme ended by 9.00 PM

At 9.30 PM the students took the night dinner. At 10.00 PM Evaluation of the day was discussed with the students by the staffs and also the programme schedule of the next day was also informed to them.

The girl students stayed in the marriage hall at night and boys went to the school at kamanayakanpatti .

Day 2:

On 25th November 2018 the students wake up by 6.00 AM. Yoga and meditation were done from 6.15-6.45 AM.

After the refreshment, the students began their work by 7.30 AM. The boy students cleaned the places near the church at Kamanayakanpatti and girl students cleaned the places in kuruvinattam.

At 9.00 AM the students took the break fast. After the breakfast the students continued their cleaning work. One group of students were given awareness programme to the catism students at the church. The second group students were engaged for cooking for the two days. The third group of students were cleaned the campus at the kuruvinatham church and talked with the school students. The fourth group of students were cleaned behind the church at Kamanayakanpatti.

At 1.00 PM the students took the lunch and cleaned the vessels and the marriage hall. AT 2.30 PM the evaluation of the second day was discussed by the staffs.

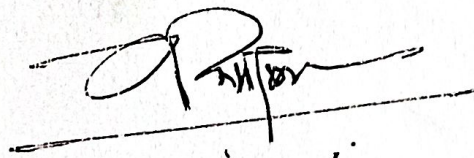

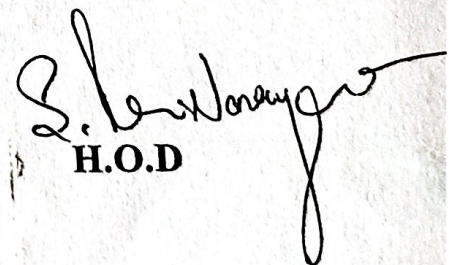

On the Whole the camp was really helpful for the students to know about the village life, the environment and how to adapt themselves to the situation.

'REPORT OF THE SCIENCE CENTER VISIT

Every year September 27 was celebrated as the world tourism day. The Department of Computer Application and Department of Mathematics visited the District Science Center, Tirunelveli on 27th September 2018.

The District Science Center (National Council of Science Museums), situated 2kms from Thirunelveli on the banks of river Tamiraparani at Palayamkottai is a unique institution aims at popularize science, manipulate the spirit of enquiry, encourage creative talents and instills systematic temper in life. It is a part of the National Council of Science Museums, attached to the Department (HRD) Government of India and a satellite unit of Visvesvaraya Industrial and Technological Museum (VITM) , Bangalore.

The trip started with 180 students along with 8 staff members in 3 busses. The bus started at 9.30 AM from the college campus and reached science center at 11.15 AM.

First the students visited the digital planitorium. In the digital planitorium they can able to see many solid shapes such as parabola, hyperbola etc.,

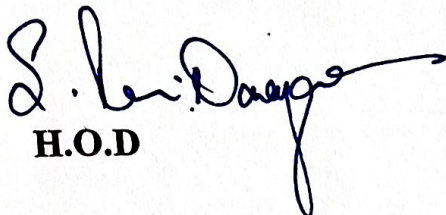

A mini 3D film of duration 20 minutes was shown to the students about the space. The students and staffs took lunch at 1.30 PM in the science center itself. After that the students visited the gallery in the center. In the gallery they can see equipments like telephones, computers used in the 19th century and the developments of the present technology.

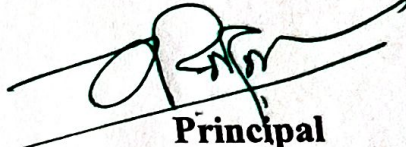

At last the students visited the science show. It helps them to gather about the knowledge of practical application of chemicals.

The various exhibits in these galleries helps the students to get an awareness of scientific development. It has a well equipped planetarium and a sky observatory, where one could enjoy the view of heavenly bodies through a telescope.

We started from the science center by 3.45PM and reached the college at 5.30 PM.

On the whole the students enjoyed the whole trip and it is useful for them to know some what about present developments in science and technology.

Report for rural camp 2017-2018

The rural camp for the second year students along with BCA students was organised on 12/12/2017 to 13/12/2017. We, the department of mathematics together with department of computer application planned our camp to Ayyan vadamalapuram (near Thappathi village). The Principal gave the instruction and importance of the rural camp. With all the necessities, we departed from our college at 10.00 am on 12/12/2017 and we reached the place at 10.30 am. The boys were facilitated to stay in middle school and the girls in the mandapam at Ayyan vadamalapuram.

Cleaning work:

On 12.12.2017, The students started the work nearly 11.00 am at ayyan vadamalapuram. Few students plant the saplings in the school campus and some students cleaned the mandapam. Then, we had our lunch at 12.30 pm. The students dispersed into the streets of the village to have some interactions with the village people and collected some knowledge of about their living situation and its heritage. In the meanwhile, some of the students were engaged in cooking. Around 5.00 pm the students were gathered and they were provided tea and snacks. Then the students were instructed by the staff for the next day program. The students prepared for the cultural program in the evening.

Cultural program

In 7.00 pm the students started the cultural program in ayyan vadamalapuram. Many of the village people are accumulated in the program. The program started with the prayer song by our students. In the program, BCA and B.Sc (Mathematics) students conducted some games. The village people were

participated in the games and won the prizes. The students also given the skit, dance , awareness on social issues, song and entertained the children in the village. The program end by 9.30 pm. The students were given their night dinner. With this, the first day program was ended up.

Program at school campus

The next day, students were gathered in the mandapam for the breakfast at 8.00am. After the breakfast, many of the students went to the school, few students were engaged in cooking. The students started the school program at 9.30 am. In the school, both BCA and B.Sc(Maths) students give some programmes like skit, song etc. Also, the students were conducted many games for the school students and gave the prizes. The school program completed at 12.30 pm. That time few students done the library cleaning work at ayyan vadamalapuram. Finally the students were gathered in the mandapam. Then the students had their lunch. Feedback questions were given to each student in the school. With that the two days camp came to an end. We again reached our college campus at 2.00pm.

Bed time: 9.15 p.m

The rural camp for the second year students in the third semester was organised on the 1/12/2016-3/12/16 of December. We, the department of mathematics and department of computer application, planned our camp to Kamanayakanpatti for boys and kuruvinatham for girls. With all the necessities we departed from our college at 10.00am and we arrived at Kamanayakanpatti around 11.00am. We planned to visit the villages Ettunayakanpatti along with kuruvinatham and Kamanayakanpatti. The boys were facilitated to stay in Kamanayakanpatti and the girls in Kuruvinatham.

Program on Day 1:

The camp started with the address of the assistant parish priest of kamanayakanpatti church. He gave a brief introduction about the village to the students. It was very useful for the students to proceed with their work. Then we had our lunch. The students dispersed into the streets of the village to have some interactions with the villagers and collected some knowledge of the village and its heritage. In the meanwhile, some of the students were engaged in cooking. Around 5.00pm the students were gathered and they were provided tea and snacks. Then the students were instructed for the next day program by the staff. The students were given their night meals and with this, the first day program was ended up.

Program on Day 2:

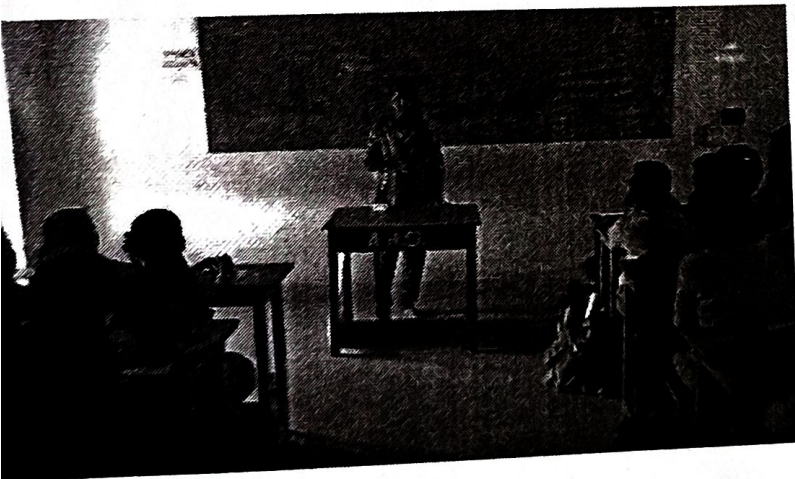

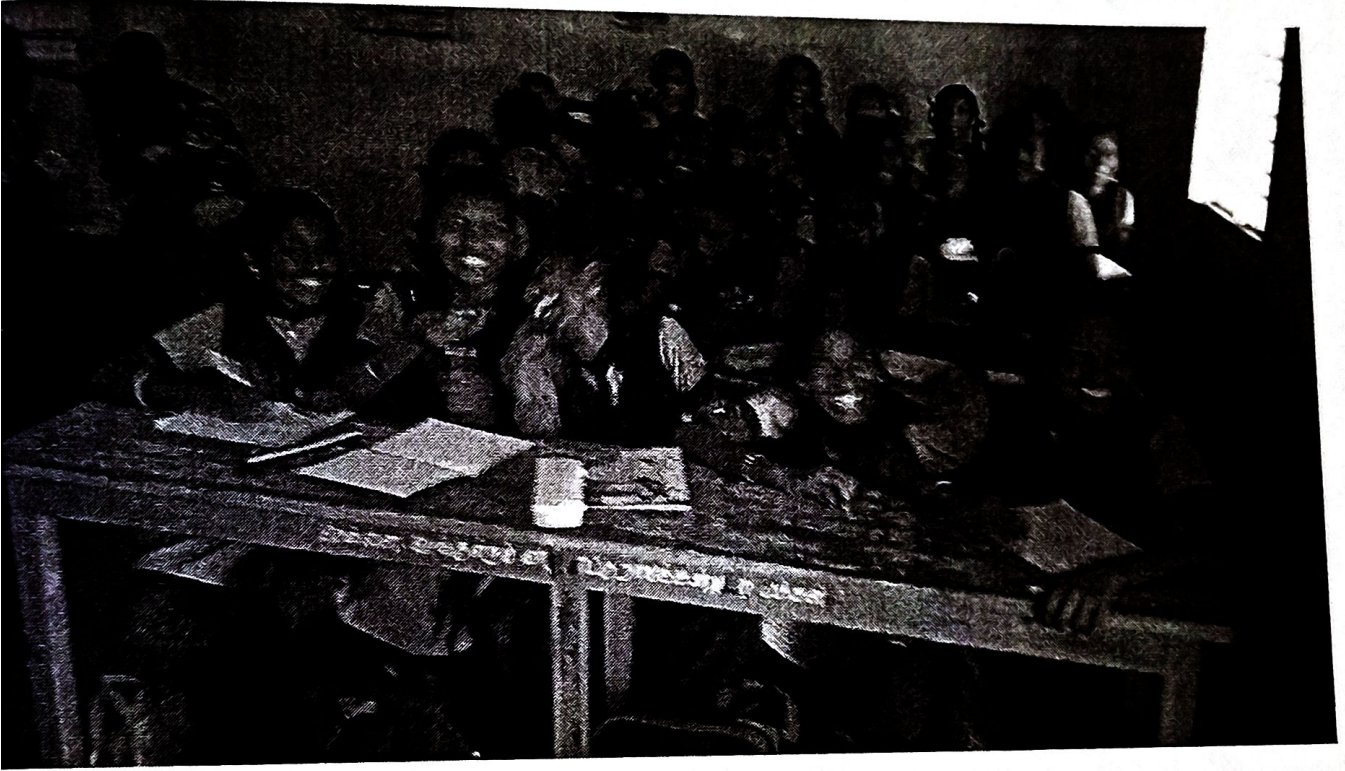

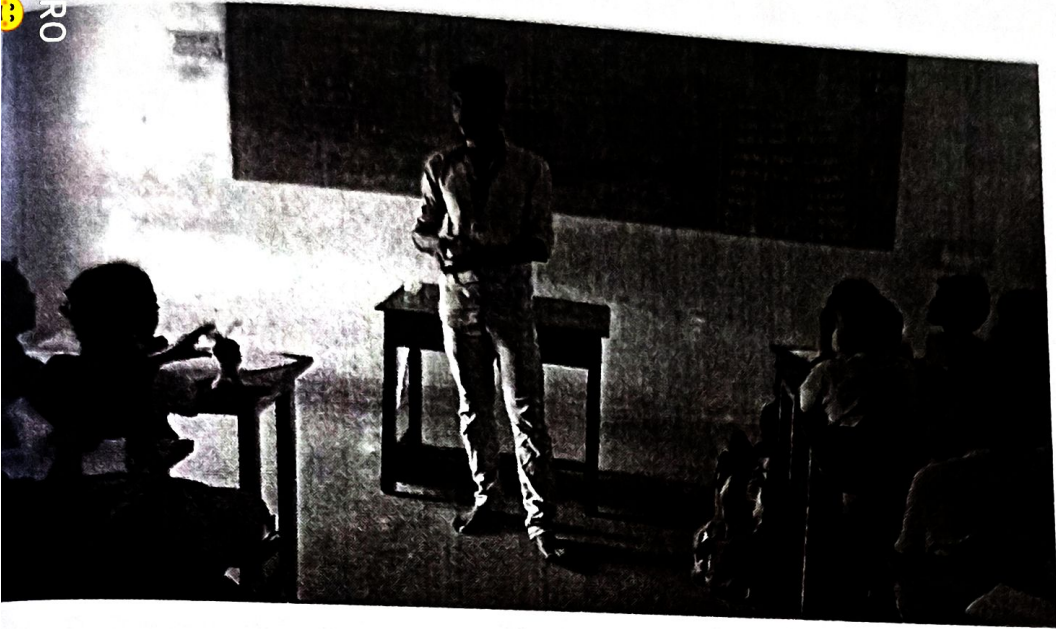

The next day, students were gathered in a hall for the breakfast. After the breakfast, they were taken to the Church in Kuruvinatham. They began

their second day program there. The students, both boys and girls cleaned the Church Campus. They destroyed all the weeds and bushes around the Church. Having a break for 15 minutes at 11.00am, the work went on for three hours. At 1.00pm, the students got ready to have their lunch. They were asked to conduct seminars in St. Aloysius school, Kamanayakanpatti. The students were divided under five sub groups and specific topics were given for each group. At 3.00pm, we reached the school. The students went to the respective classes and the seminar was conducted for around one hour. The school students found it very useful in spending time with us. They interacted with us in a proper and casual way. Then we bid good bye to the school students and reached the hall. The students were allowed to be relaxed for half an hour. Some of our students went to the streets, inviting the villagers for the cultural programs. The event began at around 7.00pm. All the people were gathered in the Church campus, Kuruvinatham. Br. Emmanuel of II-B.C.A hosted the program. Fr. Charles gave the welcome address. Some of our students performed dances. Some of them sang reformation songs which were liked by the people very much. Then Prof. Jansi Prema, concluded the events with thanks giving. Then Holy mass was conducted for the Catholic Students. We had our night meals at around 8.00am. The summary of that concern day program was discussed. The students were appreciated for their activities in cleaning the Church, as well as for their activities in the school. Then the plan for the final day program was discussed. Finally the students went to their rooms to sleep.

Program on Day 3:

On the third day, the students planned to go on a visit to the villages. Having visited some of the people, they came back at 12.00pm. Then the students went to the Church, devoted the patron Our Lady of
